

REMARKS

The Specification is amended to add a description of Figures 11 and 12 to the Description of the Drawings. The added description is based entirely on the detailed description on pages 12 - 13 of the specification. Accordingly, it is respectfully submitted that no new matter is added to the specification by this amendment.

The sequence listing is amended by providing a substitute sheet and computer-readable copy of the sequence listing.

The amendments to the sequence listing are limited to (1) changing item <110>, the identification of the applicant (as being the inventor, rather than the assignee) and (2) changing item <130>, the docket number.

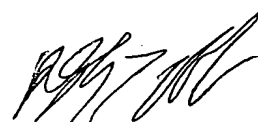

Statement under 37 CFR 1.821(f)

It is respectfully submitted that no new matter is introduced by the amendment and that the paper copy and the computer-readable copy submitted herewith are identical.

Kindly charge any additional fees due, or credit overpayment of fees, to Deposit Account No. 01-2135. (File No. 1021.43414X00)

Respectfully submitted,
